

Dear President

As a proud educator at _____, I respectfully encourage your support of Survivors of campus sexual violence by taking the Restore Dignity University Pledge.

As faculty members, our job is to cultivate a safe environment on our campus where students are treated with dignity and respect and where they can succeed in and out of the classroom. Currently, many student Survivors are denied this opportunity. We are all aware that campus sexual violence is an epidemic that affects many students on our nation's campuses; ours is no exception. Now is the time to act.

An impactful way to show _____ supports Survivors of campus sexual violence is to unite with Restore Dignity. Restore Dignity is a pivotal organization that provides Survivors with fiscal scholarships to help ease the financial, emotional, and mental burden sexual violence has on a student's life. They are focused on providing Survivors with the opportunity to continue their higher education. Taking the Restore Dignity University Pledge means _____ agrees to welcome, honor, and accommodate scholarship recipients to pursue academic success at our university to the best of our ability.

Uniting with Restore Dignity and joining the other university members committed to supporting student Survivors is an achievable way to make a huge impact. Your action on behalf of all faculty members at _____ is critical.

Let's uphold our duty as faculty members and proudly make our campus an inclusive environment for Survivors to continue their education.

Sincerely,

**RESTORE
